Preparing a Grant Application

- The criteria

- Project design

- The project team

- Dissemination

The criteria

- Does your <u>idea</u> fit within the priorities for the program?

- Does your <u>objective</u> support the outcome/s specified in the program guidelines?

Project design

- Is the project designed appropriately – scope and duration?

- Has the budget been <u>justified</u>?

The Project Team

- How will the project be <u>managed</u> and <u>evaluated</u>?

- Does the project team have the <u>ability</u> to carry through the project?

- How will you <u>gain buy-in</u> from the relevant groups and the support of those necessary to bring about change?

Dissemination

- Who will <u>benefit</u> from your project?
- How will you <u>disseminate</u> the findings from your project?
